Dedication

We pause near the end of our high school days and clasp the treasured hand which has guided us through our high school years . . . to honor you, Mr. Adams, for love, for guidance, for treasured friendship which has been our gift from you.

We can never repay you in monetary value but we would like to show you how much we think of you by dedicating this 1967 edition of the Panther to Mr. J. W. Adams, our freshman through senior class sponsor.

We here at SHS should like to welcome our new fifth grade teacher, Mrs. Shirley Neuman. Until January of 1966 she taught in a private school in Seyman, Tennessee, (Chilhowee Baptist Academy).

Mrs. Neuman now lives in Whitehall Circle in Paris. Her husband is manager of the Home Credit Office and they have a seven year old daughter.

Our many, many thanks to the junior class for the support and assistance they have given us throughout the year. We wish to express our appreciation for the Junior-Senior Banquet. It was a beautiful banquet, and we formed memories that night which will go with us down through the years, bringing a warm glow whenever we recall them. Thanks for everything, Juniors!

History

At the end of a long, happy summer vacation 27 frightened but eager freshmen were seen bouncing through the halls of Springville School. Through some degree of luck we acquired Mr. Adams as our sponsor. Our officers for that year were as follows: president - Jacque Wimberley, vice president - Sherry Warren, secretary - Sharon Allen, and reporter - Gail Wimberley. We lost five students that year and ended the year with a "bang" at Lakeland.

As our second year began, 22 sophomores were saddened by the death of a dear friend and classmate, David Wofford. We had finally reached the halfway point and felt that we were really stepping along on the road to Wisdom. We kept our cherished Mr. Adams as sponsor and selfishly decided never to give him up. Our class officers for that year were: president - Jacque Wimberley, vice president - Gail Wimberley, and secretary - Barbara Van Patten. That year we lost two students and the grand finale of the year was a trip to Lakeland in Memphis.

Our junior year began with 20 laughing juniors who felt just a little more mature and confused than before. Still hanging onto Mr. Adams as sponsor, we were ready to conquer the world as we began our eleventh year. Our class officers for that year were as follows: president - James Rushing, vice president - Roger Coleman, secretary - Barbara Van Patten, historian - Sharon Allen, and reporter - Jacque Wimberley. We lost two students and gained one new one and ended the year with a grand trip to Lakeland in Memphis.

At the end of a long summer vacation 18 seniors with mingled feelings stepped into the halls of good ole Springville School for the final phase of our journey through high school. We lost two students and gained one new one. Again our Mr. Adams was sponsor and as our officers we elected James Rushing - president, Sharon Allen - vice president, Jacque Wimberley - secretary, and Mary Ward - treasurer. We began work on our yearbook and look forward to a good year.

We started our journey with 27 freshmen and are ending it with a grand total of 18 seniors.

As we go forth to seek our fortunes we have much to take with us, many memories and a storage of knowledge and ideas for which we are grateful. Our futures will be brightened by a little light from the past--our high school days.
